Witness statement

I, Tina Andrews (25 years old) of 68 Chrysler Street North Redwood, Queensland, sales consultant, say:

- (1) I was travelling on Black Street on 1 October 2021 at about 9.30am.
- (2) The weather was sunny with no cloud cover and I was travelling behind a green Ford (registration XYZ890) towards the intersection with White Street.
- (3) I was travelling at the speed limit (60km/h) when I saw the lights change from orange to red.
- (4) As I started to brake, I saw the green Ford increase speed and run the red light.
- (5) I watched the Ford as it hit a red Mazda 3 (registration ABC246) front-on at the intersection of Black and White Streets, Redwood.
- (6) I then pulled over to see that everyone was all right. I heard George Getz, driver of the Ford, say to Jane Wright, driver of the Mazda, that the accident was his fault.
- (7) I saw the Mazda had front-end damage to the left hand side lights and bumper bar.
- (8) I believe the green Ford running a red light caused the accident.
